SUS Leadership Week 6

Drawing it together
SUS 5 - Reconciliation

The gospel demands a response.

Communicate the need

Repeat again that I would like something to happen in your life
Why?…

Communicate the **challenge** - draw out their agreement with sin, judgement, need for God… **now** what do about it?

Responses

If someone has been to all the studies, three responses:

1. believe and accept Jesus substitution for my sin - the judge paying for my crime… (see NEW LIFE below)
2. neo-nominal - come close but stay on fence (see SUS PLUS below)
3. come close then drift away again => **follow-up and friendship**

Purchase Proposition

"The wages of sin is death but the **gift** of God is eternal life"
"everything for nothing" BUT "nothing is your entire life"

Explain how to become a Christian - *what exactly would I have to do!!*
- *how would I know?*

Further Options…

SUS PLUS - studies from Luke on Jesus life and teachings
- establishing a historical basis for the SUS message

NEW LIFE - studies on what is **new** about a Christians life
